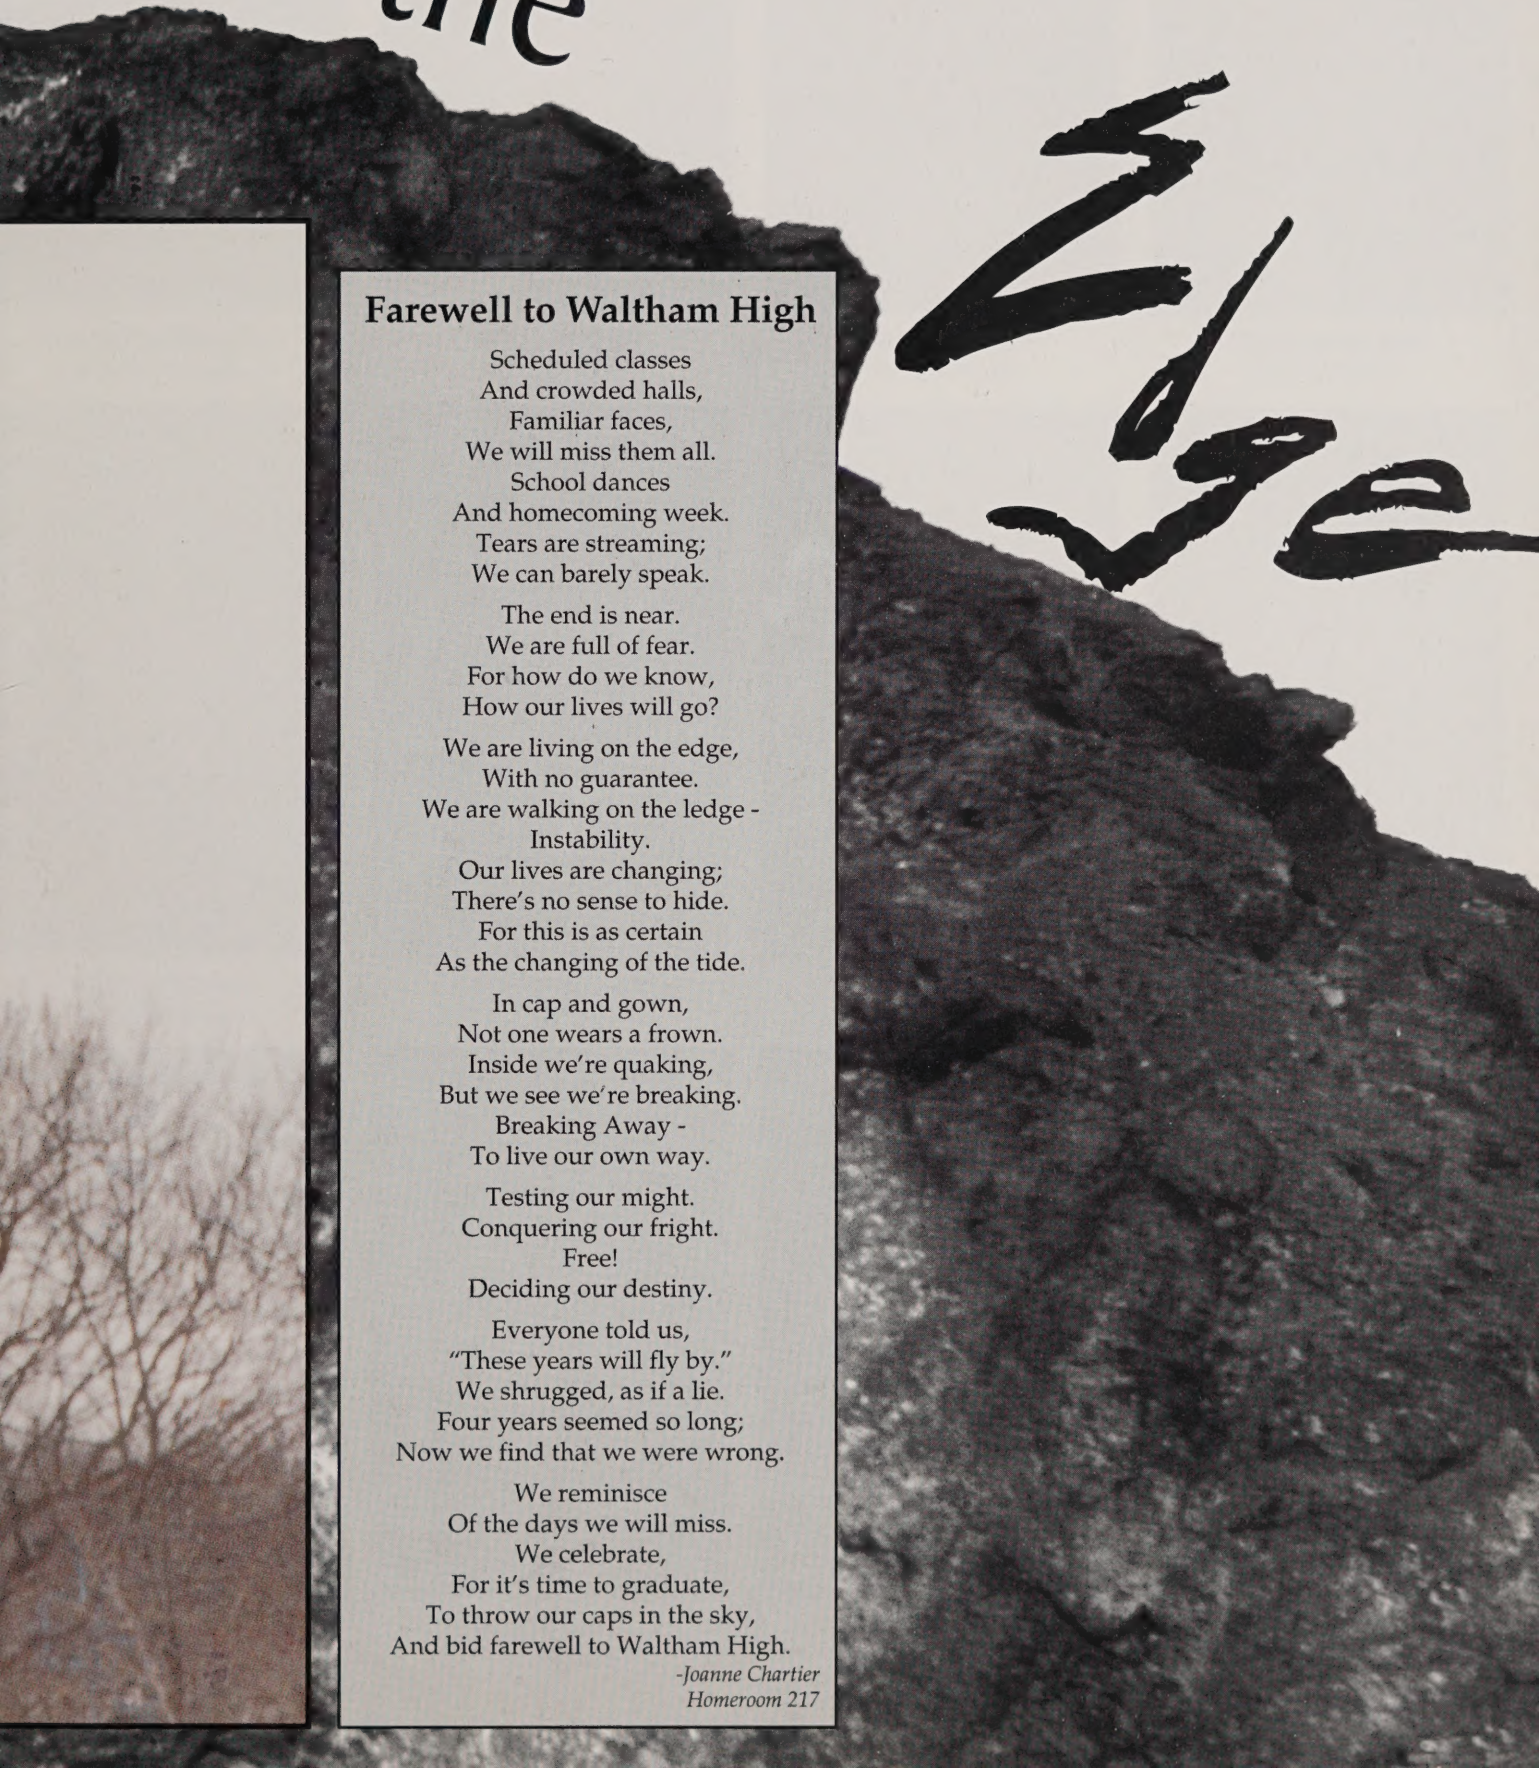
Living

On the Edge



Farewell to Waltham High

Scheduled classes
And crowded halls,
Familiar faces,
We will miss them all.
School dances
And homecoming week.
Tears are streaming;
We can barely speak.

The end is near.
We are full of fear.
For how do we know,
How our lives will go?

We are living on the edge,
With no guarantee.
We are walking on the ledge -
Instability.
Our lives are changing;
There's no sense to hide.
For this is as certain
As the changing of the tide.

In cap and gown,
Not one wears a frown.
Inside we're quaking,
But we see we're breaking.
Breaking Away -
To live our own way.

Testing our might.
Conquering our fright.
Free!
Deciding our destiny.

Everyone told us,
"These years will fly by."
We shrugged, as if a lie.
Four years seemed so long;
Now we find that we were wrong.

We reminisce
Of the days we will miss.
We celebrate,
For it's time to graduate,
To throw our caps in the sky,
And bid farewell to Waltham High.

Yearbook Dedication

Mr. Ditri

Each year the yearbook is dedicated to a few very special people. These people are chosen because they are caring, devoted, and have somehow touched the lives of many of the students in the graduating class. This year we would like to recognize Mr. Robert Ditri.

Mr. Ditri is definitely all of the things mentioned above and much more. People who know him well use words like outstanding, dedicated, motivational, resourceful, and enthusiastic when speaking of him. He is not only a wonderful teacher and person, but a friend to everyone.

Mr. Ditri began teaching in the Waltham School System after graduating from UMass Boston with all honors. He started his career as a History teacher at Kennedy Middle School in 1984. When the Class of '94 entered the High School, Mr. Ditri was behind us every step of the way. He too had to adapt to a new environment after moving from Kennedy to the High School. As the Class of 1994 says farewell to Waltham High, Mr.Ditri will be concluding his tenth year with Waltham Public Schools.

The role played by Mr. Ditri consists of much more than just teaching. In the classroom he motivates his students to learn by making History fun and interesting. He shares his enthusiasm and ove for teaching with everyone who crosses his path. Mr. Ditri also spends countless hours with bilingual students and as faculty advisor for both the PALS and EPIIC organizations. PALS, or Peer Assistant Leaders is a large group of students from the High School who speak to middle school students about the consequences of drugs and alcohol and discuss the facts about AIDS and violence. By being the faculty advisor for these groups, Mr. Ditri proves that he truly cares for the well-being of students at Waltham High and its future ones.

Everyone has a teacher that had an impact on their life and will never be forgotten. Mr. Ditri you are that person for so many students. Even now, ten years later, my older sister still speaks so highly of you as her inspiration and reason for loving history . *by Emily Young*

Mrs. Fallo

For Seniors, each day of this year has been made a little brighter by the warmth and generosity f one tremendous woman. This woman is Mrs. Lucia Fallo, our Senior house secretary.

Waltham has been lucky to have had someone like Mrs. Fallo who has given so much to her mmunity. She has resided in Waltham since the age of three. As a devoted mother and wife she s raised three children who have gone through the Waltham School system. She spent her early years rking in large companies such as Polaroid and Waltham Federal Savings Bank.

A graduate from Waltham High School, Mrs. Fallo has been with the Waltham School system nce 1986. She began as a secretary for the Special Education Department and continued on through hools such as Northeast Elementary, Kennedy and South Middle, and finally Waltham High School. ucky for Mr. MacDonald, she was placed in his office in September of 1991. Mrs. Fallo and Mr. acDonald have been with this Senior class for three whole years. A wonderful relationship has been tablished. If one needed to know whether Mrs. Fallo was in the office, all you had to do was see what pe of mood Mr. MacDonald was in. Calm or confused!

As our senior year draws closer to the end we would like to bid a fond farewell to Mrs. Fallo. oncerned, energetic, sensitive, strong-minded, and happy are only a few words which describe Mrs. allo. She is not just our secretary; she is a friend who was always there; whether to listen, offer advice, just to talk to.

The Class of 1994 would like to wish the best of luck to Mr. and Mrs. Fallo in Florida. May ur retirement be all that you have hoped for. As you leave Waltham and arrive in sunny Florida, ep the Class of 1994 close to your heart as we know you will be forever close to ours.

Vocational Dedication

Mr. Norman MacDonald

You may see him sitting behind his desk adorned with Boston College paraphernalia, or you may hear his tireless voice every morning asking students for excuses as to why they missed a gym class. However, the Class of 1994 will remember Mr. Norman MacDonald for more than that. He has not only been a dedicated and hard working housemaster for the past fifteen years, he has also been a true friend to all those he encounters.

Mr. Mac, as everyone knows him, has an impressive educational background. A lifelong Waltham resident, he graduated from Waltham High School and attained his Bachelors Degree at Boston College. He received his masters in Education at Boston State and earned a Certificate in Administration and management from Harvard University.

In 1967, Mr. Mac entered the Waltham School System. He became a Housemaster in 1979 and since then, has generously dedicated his time and energy to helping students succeed in their high school years. He has put up with our constant complaints about classes and homework, our endless excuses for tardiness, and our reasons why we should never be given one of those fatal demerits.

Mr. Mac LISTENED to our problems and helped us to find the solutions. When a student entered his office for a sincere one on one discussion, he or she would always come out feeling like a better person. Mr. Mac's guidance and loyalty to his students over the years has earned him the well-deserved respect and admiration of his fellow faculty members as well as that of his students.

The Senior Class would like to express their gratitude to this very special man. A man who has always been there to guide us in the right direction, a man who has taught us to excel in all that we do, a man who gave us confidence when the road became too rocky, and a man who applauded when we succeeded. It is with great honor and pleasure that we, the Class of 1994, dedicate our yearbook to Mr. Norman MacDonald. Thank you, Mac, for making our time here at Waltham High so memorable. You will always hold a special place in our hearts.

Mr. Clint Rumrill

It is with great pleasure that the Class of 1994 dedicate their portion of the yearbook to our finest, Mr. Clint Rumrill, an automotive instructor at the Waltham Vocational High School.

Mr. Rumrill is one of three children, whom as a youngster became interested in mechanics. By the time he entered his teenage years, he knew he wanted to be an automechanic. By joining a Chevrolet dealership, he would master his skills and receive many awards. He married and is the proud father of three children and the grandfather of four.

After several years he decided to bring his expertise and love for mechanics to Newton North High School. He then found his true vocation. His students appreciated his practical knowledge and love for his profession. After teaching in Newton for several years he joined the Waltham Vocational High School Automotive program.

Mr. Rumrill has been our instructor for the last four years and without him many of us would not be graduating. All the experience you shared with us about your automotive jobs has given us an edge in the automotive field. Whenever we needed our cars repaired in or out of school, you always found a way to help.

In the last four years we have become adept in our field because of your instruction; more importantly we have learned about life. You see, Mr. Rumrill has been more than just a great teacher he has been our friend and mentor.

Mr. Rumrill, the Class of 1994 at the Waltham Vocational High School would like to thank you and wish you the best. We hope you will always be our friend and accept this token of gratitude from us.

Breaking Through

Once again the Waltham High football team brought home an incredible winning record this year. In the beginning of the season, both the *News Tribune* and *The Boston Globe* had predicted only a relatively successful season for the Hawks, stating that they would probably place third in the Greater Boston League. However, the football team again went above and beyond all expectations, taking second place in the league and earning an overall record of 8-2.

The team was led by tri-captains Rob Hagenaars, C. Anthony Roane and Dan Hart, who worked in conjunction with Coach Dan Keohane. These three athletes, along with Anthony DiSchino, Joe Cincotta, and Patrick Joseph, were named Greater Boston League All-Stars.

> "They have some kind of inner pride...It's something kids from Waltham have instilled in them."
>
> Coach Dan Keohane

These six football stars kept up the tradition of a fast-paced and aggressively played season. Dan Hart, who was also the News Tribune Player of the Year, proved to be an extremely determined and focused leader both on and off the field. C. Anthony's playing techniques have been described as, "explosive, powerful, and unstoppable"both as a fullback and as a defensive end. Unfortunately, both Hagenaars and DiSchino missed several games near the end of the season due to injuries, but they continued to give their team enthusi-

astic support from the stands. Quarterback Joe Cincotta persevered through every one of the competitions; sustaining several minor injuries in a number of games, but he never abandoned his position before a play was successfully executed. Patrick Joseph was a very versatile athlete, playing both offensive and defensive tackle.

Although Waltham was not able to obtain a Greater Boston League title as Keohane had originally hoped, they did have eight hard-fought wins. Perhaps the biggest game of the year was against the Arlington Spy Ponders. Revenge was the primary motivational factor in this essential win, because it was the Spy Ponders who had taken the first place GBL title from the Hawks in the 1992 season. The winning play was executed by Hagenaars, who "pulled off somewhat of a trick play — a misdirection run that they saved for just the right time — and the treat was a touchdown that sealed a 14-0 victory, all but eliminating the Spy Ponders from contention for this season's GBL crown." [Taken fromThe Newstribune] Senior Chris Eaton assisted in this touchdown by clearing a block and allowing Hagenaars to sprint toward the end zone.

Other senior football players included Remon Karian (running back and safety), Thomas Reynolds (corner back), Andrew Cacciatore (fullback), Charles Jacobs (tight end and defensive end), Richard Barter (offensive and defensive tackle), Tim Higgins (guard and defensive tackle), Bill Dalton (tight end), and Kevin Sheard (defensive end and offensive guard).

The 1994 season should be a very successful one for the Hawks, with a great many experienced players returing. Juniors Shawn Feeny, Brian Wilder, Brian Starbird , Mike Egirous and Kevin Fay, and sophomore Royston English will be the key players for next year. With a lot of determination and hard work, the Waltham Hawks will not need any luck in order to achieve their goal of Greater Boston League Champions in years to come.

Just try and get by us, now! - Chris Eaton, Tim Higgins, and Dan Hart

Spirit of the Hawks

The Waltham High School Football Cheerleaders had an exceptional season! Despite the knee injuries, headaches, and sprains, they cheered the 1993/1994 Football Team on to a tremendous 8-2 record.

This year's squad worked together and respected each other like one big happy family. Through the tears of joy and the tears of disappointment, everyone was always there for one another, giving their support and strength.

> "Cheering has made us realize that things don't come easily. Hard work and cooperation are the key."
> Laura Vautour

Coaches Brenda Juppe, Jane Mula, and Jacqueline Pizzi put in an enormous amount of time to make each girl perform their best. The complete squad, led by captains Andrea Jacovides and Stacey Streitmater, consisted of eleven seniors, seven juniors, and one sophomore.

Special recognition goes to Meghan Galvin, Allison Gordick, Linda Larkin, and Stacey Streitmater, who received the honor of "All-Star" status, cheering at the Westminster New Year's Day Parade in London, England.

The season began early for the Waltham High Football Cheerleaders, who attended a cheering camp over the summer, where they took first place in the Dance Competition and won the Leadership Award. Their success continued well into the season, when they placed first at the Emmanuel College Dance Competition.

The Bon Fire Rally is a special memory for both the football team and the cheerleaders alike. Not only did the football team have a win over Somerville earlier in the day, but the cheerleaders were also successful in starting off the Homecoming events that followed.

The team will always remember the smiles they shared, the sense of family and closeness, and their fantastic coaches. More importantly, they will remember all of the obstacles they overcame with flying colors! So now they must say good-bye to their cheering uniforms, but they will always hold that "Hawk Pride" close to their hearts.

Reaching Goals

> "Even though we didn't win all of our games, we won every single battle."
> Greg Postizzi

The Boys' Varsity Soccer Team displayed a tremendous amount of talent this season. Despite several injuries to key players, the Hawks managed to earn a record of 6-10-2, just falling short of the state tournament. Leading the team were two former Hawk soccer standouts — Roger Becker and Kelvin Bernard. From day one of double sessions they stressed "Pride" and "Intensity". Assisting the coaches were junior captains Mike Brown and Tim Puglielli, and seniors Anthony Lafauci and Mike Scanio.

Mike Brown prevented many goals as the Hawks goalkeeper. He always gave one-hundred percent of himself and excelled in the critical games. Tim Puglielli was bothered by injuries all year, but did a fine job heading the defense and was sharp shooter when the team needed a goal. Anthony Lafauci also had trouble staying healthy. Even so, he lead the offensive attack and lead the team in points. He was one of three Hawks chosen to the News Tribune All-Stars, joined by senior Scott Nigloschy and sophomore Wilder Chilen. Mike Scanio was one of the most aggressive and skillful players on the field, posing a great threat to GBL opponents all season.

Seniors Mike Connors, Greg Postizzi, and Mike Peterson were the heart of the team. When times were bad they increased intensity and kept optimistic attitudes. They all played very aggressively on offense, Mike Connors lead the team's balanced attack with eight goals.

Fortunately for the Hawks, the traveling soccer team from Sandanto, Italy chose to play an exhibition game in Waltham. The two teams played under the lights at Leary Field in front of the largest crowd of the year. During the game, Waltham showcased seniors George Cedeno, Jason Donath, Sean Faeth, and Rubin Meronvil. The Hawks played tough but lost 4-2 to the Italians, with Anthony Lafauci and Mike Connors scoring the only two goals.

Juniors Mike Brown and Tim Puglielli will be the returning co-captains for the 1994 season. These outstanding athletes, along with junior Jim Boudreau, sophomore Wilder Chilen, and freshman Sean Rosenburg are the key players for next year's team. These student athletes will no doubt bring the Waltham boys soccer team a great deal of success in years to come.

Netting Victories

At the start of the Lady Hawks' 1993-94 season, many people believed that this would be a year of great rebuilding. Players would concentrate on skill and performance rather than winning. The season, however, turned out to be the most enjoyable and successful one that Coach Kelly has ever had the pleasure of coaching. The girls captured third place in the GBL with a record of 8-3, gaining respect and recognition along the way.

The team's 3-0 victory over rival Peabody in the opening game paved the road toward success. The Hawks moved on to sweep former GBL champ Medford with a score of 4-2. This was the first time Waltham has overcome the Tanners in six years.

The team's offense was led by captain Jenn McLean, who, along with the defender Cara Malone, provided the team with leadership and a strong sense of confidence. Stopper Lynne Doherty impressed many with her aggressive style of play and unbelievable kick. Julie Patterson filled in admirably as a forward, giving one-hundred percent of her effort. Heather Drew proved to have tremendous work ethic defending many aggressive opposing players.

> "The girl's soccer team was not just a team but a family. We laughed, cried, won and lost together."
> Lynne Doherty

The girls were not only friends on the field, but off the field as well. By pooling their efforts through canning drives, car washes, and other fund-raising activities, they were able to raise over $1200 in senior scholarship funds. Getting together with teammates became a week-end ritual that provided every player with new found friendships and unforgettable memories. (We'll never forget PIC and FSU.)

Best of luck to next year's team, led by tri-captains Danielle LeGros, Meredith Rooney and Michelle Savoie. Keep up the hard work and together you'll always be "simply the best"!

Over The Top

The Girls' Volleyball team had perhaps the biggest turnaround of the 1993 fall season-soaring higher than ever. A Greater Boston League record of 6-2 not only brought them a league of co-champion title and sent them to the semi finals of the Eastern Central Tournament. It was the first time the Volleyball team had participated in any post-season play in fifteen years.

A great deal of the credit for this year's accomplishments should be given to the team's devoted coach Laraine Bogosian. Throughout her eight year coaching career, she has maintained her love for the game and an optimistic determination. Also leading the team were senior tri-captains Beth Deschenes, Rebecca Kiley and Stacey Connors. Beth's on target sets prepared Rebecca and Stacey for consistent hard hitting ,often leaving the opponent sprawling on the floor.

"Working as a team always proved to have positive results."
Emily Young

Returning varsity players included seniors Octaviana Loi and Amy Griffin. Occy's strength as a defensive player and consistent server aided the team immeasurably, while Amy's action at the net helped to spark the offense. Seniors who were new to varsity play, including Jennifer Allen, Astride Goncalves, Emily Young and Meredith Ostrander, were not at all intimidated when making the transition to a more competitive level. Jen joined Occy as one of the leading defensive players and strong servers, while Astride and Meredith proved their ability at the net on offensive plays. Emily stepped in as one of the starting setters who gave it her all on the court and made sure the ball remained in play.

This certainly was a memorable year for the Girls' Volleyball team, which should lead to a continuously successful team in years to come. First time players who earned a spot on the varsity team include freshmen Noel Cunningham and Lisa Connors and sophomore Kim Drake. The experienced teammates, along with varsity newcomers, will certainly help to preserve the winning season of 1993 in the future.

Power Drive

Waltham High's 1993 golf season proved to be one of the most successful in recent memory. In previous seasons, the team had only advanced to the State Tournament twice before under the guidance of coach Leonard Sorin. Not only did they qualify for the State Tournament this year, but they placed first in the Greater Boston League. Overall, they posted an impressive 14-4 record and were 11-1 in the GBL.

This year, the Hawks took the GBL by storm, thanks to solid contributions by juniors Jeff LaVallee, Kevin McMahon, Frank Parker, Steve Arnold, Jim Dowdy, Ben Arnold, sophomore Sean Brophy and freshman Adam Campana. All of their efforts aided the team in achieving its league title. Co-captains Dave Cacciatore and Mike St. Marie and junior Jeff LaVallee defended Waltham's league title with their post-season performances at the GBL All-Star and Sullivan tournaments. Additionally, these three players became GBL All-Star, Cacciatore being named the league's Co-MVP.

> "Winning is a team effort and we won and lost as a team. We never quit and we worked hard together."
> Dave Cacciatore

Overall, the golf team's season was incredible, breaking tradition and reaching new heights. With a combination of returning "pros" and promising new players such as Mark Goguen, Chris Stolowski and Mark St. Marie, there are very high expectations for next year's team. Best of luck in the 1994 season!

Rough Terrain

I think I can, I think I can

Both the Boys and the Girls Cross Country teams excelled this season under the guidance of new coach Kent Hales. Through consistently solid efforts, the boys placed third in the Greater Boston League,and the girls came in close behind with fourth place.

Leading the boys' team were senior and junior co-captains Jim Leone and Jason Burke. Both had extremely solid seasons and had dramatic improvements. Leone improved his performance from last year with a personal record of 15:19, and Burke was able to set the new course record twice during his very first year on the team. These two athletes, along with junior Chiratu Patel, qualified their team for the Division 1 State class meet for the second year in a row.

Bringing the girls' team an equal share of prosperity were senior and sole captain Kim Sayer and new teammate, senior Tiffany Downing. Other outstanding runners this season included juniors Leah Burnett and Jen Wilson and sophomore Katie LeClair, who all qualified to participate in the State meet at Franklin Park.

> "Ken's speech before every meet , 'You guys can really do this...You can beat them..."
> Tiffany Downing

Although the team will be losing several valuable senior runners, the future remains bright for Cross Country at Waltham High. Next year the teams will continue to grow and strengthen as the new members become veterans. Extremely talented juniors, such as Patel, Burke, Burnett and Wilson, will all be returning as seniors to fill in the empty positions that captains Leone and Sayer leave behind. With experience, determination, and confidence, both the boys and the girls should be extremely competitive, proving themselves a formidable foe.

Make A Splash

The coed swim team undoubtedly had one of the most successful seasons at Waltham High this winter as they splashed their way to a league title for the second year in a row. Finishing the season with an 8-3 overall record, and a performance of 5-0 in the Greater Boston League.

Senior tri-captains Eileen Williams, Kristen Parsons and Wendy Lucente certainly played a large role in the success of the 1994 season. Performing under the guidance of Hawk coach Phil Richmond, the trio was praised for their strong efforts and determination: "They kept everyone together and we were able to swim at a very high level despite our youth," noted Richmond.

In addition to their outstanding performance as a team, some Waltham swimmers were also able to break personal records. Six Waltham High swimmers earned league All-Star honors while the Hawk coed swim team finished second in the 10-team Greater Boston League Championship meet at the Bentley College Pool. These athletes included freshman James Lunderville, sophomore Scott Rogers, and Junior Kevin Delaney, who all placed third in one or more events at the meet. Receiving even greater honors were freshman Lalayna Twitchell, sophomore Sean Lord, and senior tri-captain Eileen Williams, who were all voted in as GBL All-Stars for their outstanding performances throughout the season.

In the beginning of the season, there had been doubts as to how well the Waltham High swim team would fare in the GBL due to their lack of experience. But the Hawks proved 'em wrong again by achieving impossible goals and turning dreams into reality. And with the majority of the team returning for next year's season, a GBL championship title for the third year in a row is certainly a very tangible idea.

The 1993-94 boys' basketball team finished their season with a strong twelve win, eight loss record. One of the season highlights was the team's participation in the MIA state tournament. Though a strong effort was put forth, they lost in the first round of the tournament. Their determination and desire to win was well displayed.

Leading the Hawks this year were tri-captains Myles Lawton, John Powers, and Joe Cincotta. Other contributing seniors were Brian Bonnilla, Mark Jean Baptiste, and Charles Jacobs. The skill and experience of these seniors were the key factors that led to the team's successful season.

Waltham boys' basketball should have another impressive season next year with returning stars Brian Wilder, Leo Rosales, and Mike Frato.

The 1993-94 basketball cheerleading squad had both an impressive and memorable season. Because of the cheerleader spirit and inspiration, the basketball team overcame many obstacles.

Co-Captains Kim Conzo and Ann Puglielli created an environment of teamwork, dedication, and friendship. Senior, Amy McCue was chosen as a U.C.A. Cheerleading All-Star and was given the opportunity to visit London. The fourth graduating senior on the squad, Tanya Meaney, always gave 100% to her team in her four years of cheering experience . The girls' basketball team posted a 16-2 regular season record. Despite losing three previous senior starters due to graduation, the team was able to establish itself as a dominant force in the Greater Boston League with a second place finish. Additionally, along with qualifying for the Division I State Tournament, the squad won its second Natick Holiday Tournament.

Coach Bob Connors developed a team with only four returning varsity players into one that swept away its opponents in the race for the league title. The team was especially sparked by co-captains Stacey Connors and Alyssa Ricci. Both were named Greater Boston League All-Stars, along with sophomore Patty Connors. Alyssa, a junior with three years of varsity experience, was the team's second leading scorer. Her tremendous three-point shooting helped lead the team to many of its victories. Stacey, a four-year varsity player who set a number of school records with her exemplary playing, earned a GBL Most Valuable Player status: one for the most points scored in a career, and the other for pulling down more than 1,000 rebounds.

The other two senior players, Tiffany Downing (a first-year starter) and Nathalie Gauthier (a second-year front court player) will be the only other players that the team of '94-'95 will lose. Starters Patty Connors and Noel Cunningham, along with sophomores Kristen Philpott and Mary Ellen O'Connor, will continue to be major contributors next season.

The 1993-94 season was swept away by the tide of excitement created by the squad's success. The season began with five straight wins, including the victory in the Second Annual Natick Holiday Tournament. In retrospect, the most memorable highlights of the season were the victories over the perennial powerhouse Medford team, and the avenging of a two-point overtime loss to Peabody with a twelve point victory.

To be as successful next year, the team will have to cope with the loss of their offensive machine, Stacey Connors. However, the squad will still have three key starters: Patty Connors, Alyssa Ricci, and Noel Cunningham. Best of luck to next year's team!

Striding For Success

Hawk pride came through in a big way for the Waltham High indoor track team. While the boys' team posted an impressive 7-1 record enroute to a second place Greater Boston League finish, the Lady Hawks achieved greatness at the State Class A Meet with a sixth place title.

Senior leadership was an essential part of the indoor track team successful season. Tri-captains C. Anthony Roane (hurdles), Jim Leone (mile-run), and Daniel Hart (shot-put) all took the initiative to set prime examples for the underclassmen. Co-captains Heather Drew and Martina Edmonds helped the girls maintain their motivational spirit throughout the season while also fulfilling personal goals. These were the only two runners who were eligible for competition at the state level.

For the girls' team, several runners placed extremely high in the State Class A Meet. These athletes include Leah Burnett, who placed fourth in the 600 meter, Kelly Edwards, who placed fourth in the shot-put, and Rhonda Surett, who placed fifth running the 300 meter.

A great deal of the team's success can be attributed to the coaching excellence of Assistant Coach Clynn, and Head Coaches Dan Keohane and Kent Hales.

Under Pressure

The Waltham High wrestling team had an extremely successful season this year producing a number of gifted wrestlers who were able to improve their own abilities.

The Division 1 Central sectional was where each Hawk was put to the test, being forced to prove his ability on the mat or to end the season early. In addition to sending seven wrestlers to the Division I State Championships, the Hawks were able to place third in the 10-team tournament thanks to the efforts of the entire team. "It was the best we've wrestled this year. It was really a team effort that exceeded my expectations," remarked coach Ted O'Neill.

Several senior wrestlers had outstanding performances this past winter. Phil Foster a three-year varsity Hawk, earned a Dual County League

Co-captain Jeff Hoffman, a four-year member of the Hawks' varsity team, earned Dual County League All-Star honors and wrestled his way to second place at 140 pounds in the Divsion 1 Central Sectional tourney.

However, the most assuredly significant highlight of the season was the incredible performance of senior co-captain Peter Camerorn. As Waltham's state and New England champion wrestler at 112 pounds, he finished an impressive fourth at the fifth annual National High School Wrestling Championships. For his performance, he received All-American status, the first Waltham wrestler to receive such an honor.

Next year, underclassmen such as sophomores Mike Collins and Bill Foster and juniors Mark Politis, Greg Ridino and Chuong Ly can only look forward to another year of success.

On the Slopes

The Waltham High School ski team proved to be a strong contender in the Bay State Conference League this season. While the girls came out on top for the fifth year in a row (beating the second place team by over two hundred points), the boys managed to slide into an impressive fourth place in the same league.

Leading the girls' ski team were juniors Meredith Rooney, Melissa Jones, Payton Lucas, Danielle Legros and Kristen Rock. Seniors Charlene LeBlanc, Cara Malone and Jenn McLean also contributed in racking up the points. At the state ski race these teammates all pooled their efforts, placing seventh overall and ending their season triumphantly.

Seniors Mike Connors, John Porter and Greg Postizzi all provided consistently strong top ten finishes for the boys' team. Connors' personal talent as a skier was displayed when he snagged first place among the Hawks, thus being named the team's Most Valuable Player. Other skiers, such as juniors Greg Dehollan and Brian Fitzpatrick, and sophomore Joe Connoly, also contributed greatly to the boys' successful season.

The ski team expresses their sincere gratitude to coaches Stephen Grant and Tim Reed for another enjoyable and successful season. They helped in making those chilly nights up at Blue Hills memorable ones, where fast friendships were made and a good time was had by all. Best of luck to next year's ski team!

The Cutting Edge

This year proved to be another building season for Waltham's hockey team. The Hawks worked hard to improve their game under the leadership of coach Maguire and co-captains, Dana Whelan and John Cassella. The team had a trying season, ending with a 2/16 record.

Many veteran players have graduated, making next year's season a sure challenge. Justin Murgo, Jaime Cashman, Jason Campana, and David Cacciatore, consistent contributors and dedicated leaders, will be missed. An excellent group of junior players will take on the challenge and the job of leadership next year, hopefully pushing the Hawks toward greater success.

The 1993-94 hockey cheerleaders, once again, had a season filled with hard work and dedication. Captain Jen MacKenzie and senior Tara Kelly led the squad through a successful season of keeping the hockey player's spirits up. Special thanks goes out to these graduating seniors who will be greatly missed.

Juniors who will lead the squad next season are Karla Zinnell, Tobi Mullaney, Joanna Ferlazzo, Jaclyn Bolio, Erica McShane, and Lora Mulone. Other returning cheerleaders are Jennifer Aucoin, Justine Ferraro, Courtney Gray, Lauren Bibbo, Maria Velis, Leigh Cashman, Mellisa Bohanon, and Cheryl. Good times shared will be cherished forever!

Hook Me up

With a record of close to .500, Lacrosse may be the Hawks' newest up and coming team sport. Although much of the squad had little on-the-field experience (with many players only this year being introduced to the sport), they beat many of their more experienced opponents from more established programs. Many accolades go to coach Steve Duffy. His focus on basic stick skills and team comradere proved to be the key ingredients in the success of the program as well as the marked improvement of each individual player. Continued progress as has been realized in the past few years should make the increasingly popular Waltham lacrosse program a serious contender in Eastern Massachusetts.

Hit Hard

The 1994 boys' tennis team played with spirit and determination despite a rather disappointing season. The talent and the drive were there, but the Hawks' luck simply ran out, leaving them with a record of 1-13.

Leading the team were senior singles players Geoff Stanton, Jimmy Welch and doubles player John Stadtman.

Throughout the season, one of Waltham's greatest competitors was Revere. Waltham's first match against this team was a close one. Despite wins by Jimmy Welch and doubles partners Chris Stolowski and John Karasagian, Waltham still dropped the match 2-3. However, the Hawks came back for revenge in their second meeting with Revere, taking the team 3-2 with wins by Geoff Stanton, Jimmy Welch and Jon Capan.

Next season should prove to be a more successful one, with underclassmen such as freshman John Karasajian and sophomores Pat Deveau and Jon Capan returning to the courts with another years' worth of experience behind them.

Aces

With the powerful trio of senior captains Shannon Collins, Kerstin Lindgren and Jenn McLean leading the Lady Hawks, the Waltham girls' tennis team was all but guaranteed a successful season. Their knowledge of and devotion to the game of tennis made it possible for Waltham to advance to the Division 1 North Section match. Shannon Collins went 8-4 at No. 1 singles and received News Tribune All-Star honors for second straight season. "Shannon led by example," said coach Jay Levine "she went out and worked hard all the time (and) was always mentally tough." Four year varsity player, Kerstin Lindgren, posted a 9-3 record. "She had the most power on the team," said Levine, "She's really got some great strokes and a powerful serve. She has become a very versatile, consistent player." Jenn McLean posted the best individual record on the squad at 11-2. "She was the toughest person to beat on the team," Levine quoted. "She would build confidence as the match went along and get into a mind-set that she'll beat you." "Making the tournament was very important to those three seniors," explained Levine. "They should feel really proud of themselves. I don't know if anyone has ever reached the state tournament for Waltham girls tennis in three out of their four years like they have. " The Hawks ended the season with an 11 - 4 record.

Perfect Pitch

With only four returning starters from the 1993 Greater Boston League Championship Team, the Girl's softball team came out fighting. Not expecting to be a force in the league, the girls surprised everyone, just missing a first place finish. Starting off the season with a win against a powerful Everett squad gave the girls a lot of confidence. Every game they played was tough, but in the end they made it to the tournament for the third year in a row. However they lost to Lawrence, by a score of 10-7 , in the semifinal round.

Without the efforts of six seniors, Cara Malone, Stacey Streitmater, Linda Larkin, Ann Puglielli, Andrea Jacovides and Danielle Henderson the team would not have been as successful.

There were three Greater Boston League All-Stars from the squad, Senior Linda Larkin, Junior Danielle Legros and Co-MVP for the league Melissa Jones.

In Full Swing

The Waltham High baseball team of 1994 had a season of great success, clinching their first trip to the state tournament in three seasons. The Hawks were able to advance to the Greater Boston League Division 1 North baseball tournament, where they ended their season with an overall record of 12-9.

A great deal of the credit can be attributed to the Hawks' new coach, Serge Clivio. In making the transition from Arlington Catholic to Waltham High, Clivio was able to lead the Hawks to their first Mass State tournament since 1984. However, senior captains Joe Cincotta and Anthony DiSchino along with John Powers, Dave Cacciatore and Mike Chiasson were undoubtedly the driving force behind the Hawks' 12-9 record.

It was Waltham's hard-fought 3-1 victory over GBL foe Arlington that earned them a spot in the state tournament. In games such as this, it was the incredible force of the team effort that made all the difference. "The kids had great intensity, played with enthusiasm, and they had fun out there. You could tell," noted coach Clivio.

With a successful season behind them and prospects of glory before them, the 1995 season will certainly be a victorious one. Best of luck to next year's team!

Running On The Edge

Strength, speed, and will comprised a winning combination for the Hawks in the 1994 season of outdoor track. While the boys' team boasted an 8-0 record to capture the GBL title (a feat that has not been accomplished in roughly twenty years), the girls managed to place fifth in the nine-team Greater Boston League championship meet at Tufts University.

Important factors such as individual work ethic as well as a strong sense of community within the team helped to bring about the overwhelming success of the boys' season. The powerful trio of senior captains Jim Leone, C. Anthony Roane, and Dan Hart, along with coaches Ernie Clynn and Dan Keohane, led the team to a number of its victories. A number of underclassmen competed extremely well, including juniors Brian Wilder (330; hurdles), Jason Burke and Chirayu Patel (2 mile), and sophomore Jose Torres (800).

Although the girls did not place as highly as they might have liked to, certain Hawk runners made their own mark during the course of the season. Senior co-captain Heather Drew, a two-time News Tribune Indoor Track All-Star, placed third in the 50-yard dash at the GBL championship meet with a personal-record time of 6.47 seconds. Senior Martina Edmonds, also a captain, qualified for the Class A meet in the dash, as well as placing fourth in the Greater Boston League meet for the high-jump, with a personal-best leap of 4 feet, 10 inches. Also, juniors Leah Burnett and Jamie Bonica made significant contributions to the team, each capturing third-place finishes in the GBL championship meet.

The Hawks should come back strong next winter and spring, with underclassmen polishing their skills while dominant juniors assume the roles of leadership. With the same fierce drive to succeed, both teams should be strong contenders for next year's GBL crown.

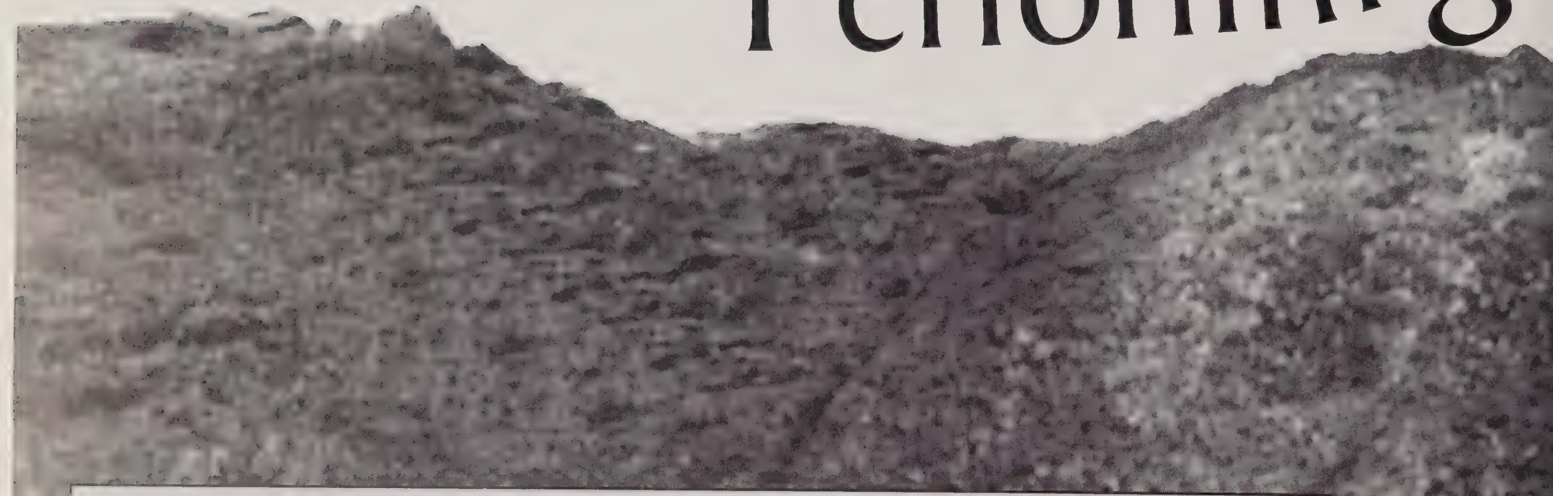
Performing



After all the spotlights fade away and the audience pours out of Robinson Auditorium, there is a certain satisfaction felt by those who came to enjoy a show put on by the WHS Arts Department. The talent and excellence at Waltham High is displayed by various groups - from vocal performers, to instrumentalists, to drama students. Together these groups make up one of Waltham High's greatest assets.

For the chorus, singing at individual competitions and shows is just as rewarding as coming together as a group of over one-hundred students. Show Choir did a wonderful job at all of their competitions during the year, bringing home many golds. Jazz Choir also did well at a state competition at Woburn High School where they won a bronze and awards for solo excellence and musicianship. In May, the entire chorus participated in America Sings along with 4,200 other singers from across the nation. The concert was performed to benefit the homeless. Thousands of canned goods and PB&J sandwiches were provided by these kids and donated to local shelters.

As well as delighting friends, classmates, and parents the Arts Department has also brightened the days of many members of the community. The Marching Band started the year off at homecoming and also concluded senior year at graduation. The chorus sang at the annual Christmas tree lighting on the common, the Student Santa assembly, and at the Mayor's Prayer Breakfast. The String Orchestra, Jazz Band, and Wind Ensemble have entertained many audiences throughout the year. Individual groups have spent time at nursing homes, special education functions, fund-raisers, and senior functions.

The WHS drama and music departments together put on a fall musical, "Little Shop of Horrors." A smaller group of drama students were chosen to perform one-act plays for state competitions, where they did remarkably.

It is quite obvious that the day does not end for these students and instructors when the final bell rings. So much hard work and dedication goes into all of these performances. As you turn the next few pages think back and appreciate the chance you got to be a part of something so special or that you got the chance to just sit back and enjoy it.

A Winning Combination

The Waltham High Academic Decathlon Team is one of the most competitive organizations at Waltham High. Over one-hundred teams from across the state competed this year in two meets: the regional qualifying round and the state finals. Waltham finished eighth overall in the state regional and ninth overall in the finals.

Preparation for this year's tests began in May of 1993. Each team member did their part to research and study different topics. The team coul be found tirelessly studying at school during Sundays, holidays, and after school.

Tim Higgins was the sole senior on the team of fifteen members. It was by far the youngest team in the state, but Tim's maturity, leadership, and discipline were compulsory in the team's extraordinary finish. The rest of the team was composed of underclassmen. Our strongest juniors were Brian McHugh, Taline Lorensian, Peter and Jude Seminara, Chuong Ly, Stev Ravesi, Frank Parker, and captain Ajay Bhatia. One of our highest scorers was a sophomore, Mike Bartley.

None of the team's success this year could have been possible withou Coach George Viens. He spent an inordinate number of hours with the team and he was relentless in his efforts. The team would have likely never existe if Mr. Viens did not come forward and accept the task as coach.

Next year, the team will be more experienced and no doubt will give another superlative effort in this state competition.

During the 1993-1994 school year the Student Council planned many events that proved to be enjoyable for both the student body and the community. We began in the fall by organizing the fall rally where many of our masculine athletes dressed as women to compete for "Miss WHS." Myles Lawton was crowned as the deserving winner.

Other events such as the Mayor's Picnic, Student Santa, and Homecoming Week will never be forgotten in the minds of our classmates as well as the City of Waltham. The spirit and enthusiasm during the bonfire and football game resulted in triumph for the Hawks.

The Student Council went to Cape Cod in March for the annual MASC conference. We learned of many new ideas to pass on to next year's council. Not only were the seminars helpful but the memories will last a lifetime. Hopefully, next year's conference will include body walking at the dance, steak and potatoes at the banquet and absolutely no girls named Sylvia.

Living

Four years ago, 400 kids mounted a giant red and white Ferris wheel. They had waited for this ride with much anticipation and excitement. Due to the unfamiliarity of this ride, the kids sat with their friends and gave each other support. As the Ferris wheel began to spin, many kids were overwhelmed with the speed it gained. They watched as the surroundings quickly changed as the wheel climbed higher and higher.

When a chair reached the top, the kids in it laughed and smiled. But at the same time, other kids would be at the very bottom, with frowns and sometimes tears. The kids aged as the wheel spun, gaining maturity, responsibility, and knowledge. Only once in a while would the wheel stop, to let off a few kids who felt dizzy, and to welcome some who were just a little late.

Throughout the long ride, most friends stuck together. Some changed chairs, making new and closer friends. There were even a few who sat alone.

Even though these 400 kids experienced different emotions at different times, they all hold a common bond. They have all completed the ride and have an array of memories to take with them. They will remember the times they were at their highest and all the good times they shared. They will try to forget all the low points of the ride, but will cherish the friends that helped them through their moment of despair.

As the kids step off the Ferris wheel, they stop to say good-bye. For they have shared so much together for four glorious years. Never will they ride the red and white Ferris wheel again.

They may return to watch their younger friends or maybe even their own children start and complete the ride. These 400 kids now walk away from the Ferris wheel, going in different directions, trying not to look back. The memories of the Ferris wheel will always remain in their hearts and has helped mold the persons they have become.

Good luck on your next ride of life - may we never forget the lessons, the friends and the good times we have experienced from perhaps the most exciting and memorable ride we will ever have. by Jen McLean

"THE ALL NIGHT GANG"

The Mirrors' On the Edge Gang

The 1994 yearbook was a success because of all the hard work and time that several seniors, juniors and adults put into this manuscript. These people gave up free blocks, time after school, weekends and beautiful summer days. Appreciation also needs to be given to the students who obtained ads from local businesses and parents. The money received from their efforts helped to lower the cost of the yearbook. Funds were also raised at the Mayor's Picnic, Senior Video Night, Carnation Day and Cabaret Night. Cabaret night was a hit not only as a fund raiser but as a night of great entertainment.

The Board of directors for the 1994 yearbook were Beth Deschenes, Jen McLean, Jen O'Neill, Meredith Ostrander, Monika Parikh, Julie Patterson, and Emily Young. They along with Kim Conzo, Liz Goodwin, Tracie Lenhardt and Kim Sayer composed the yearbook staff. These dedicated students worked together from September 1993 through the summer of 1994. by Jen O'Neil

Advisor Note: I personally would like to thank all the members of my staff for their time, talents and unwavering dedication to the production of this manuscript. I hope that everyone appreciates their efforts in capturing the memories of the Class 1994. Also, I would like to thank John Neister and Terry Bleiler for their constant support and help.

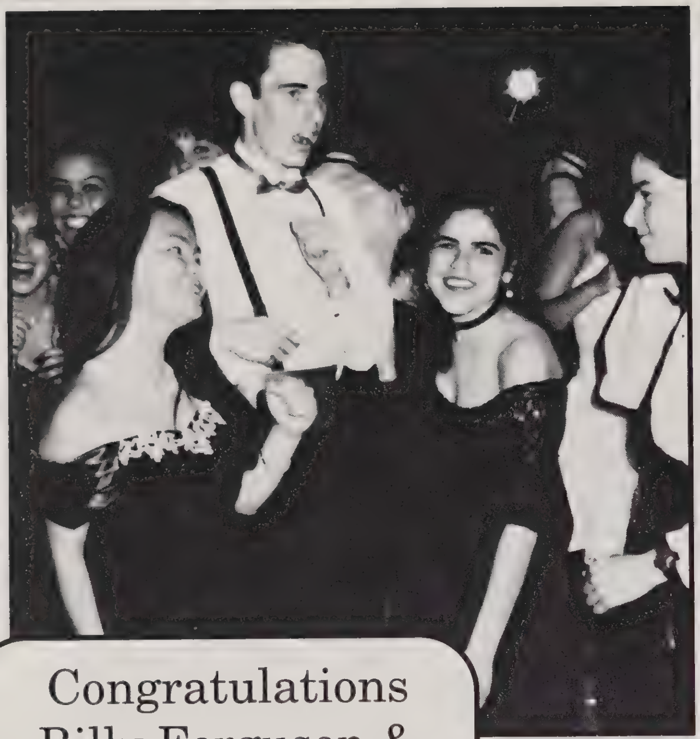
On the Edge

The 1994 Mirror was made possible by the support of local business, family and friends. Each year, seniors at Waltham High compete to see who can collect the most ads. These ads provide the money needed to publish our yearbook. In turn, businesses as well as family and friends get to wish the class of '94 "good luck".

The class of '94 would like to give thanks to those who have helped as we bid a fond farewell to Waltham High.



Congratulations
Billy Ferguson &
Billy Dalton.
Good Luck!

WALTHAM FAMILY MEDICAL GROUP

707 Main Street, Waltham
An affiliate of St. Elizabeth's Medical Center of Boston

Waltham Family Medical Group offers quality and convenient medical care for today's busy family.

If your family is like most, your days are filled with basketball practice, ballet lessons, early morning office meetings and parent-teacher conferences. The last thing you have time for is driving across town to different offices for the pediatrician, the primary care physician, the gynecologist, the allergist and even the cardiologist.

At the Waltham Family Medical Group, we provide quality medical care for the entire family—all in the same office.

The hallmark of these highly-trained physicians is their shared commitment to personalized care. They bring strong clinical backgrounds, solid academic credentials as well as excellent interpersonal skills to this family practice.

• family/primary care
• obstetrics • gynecology • pediatrics
• geriatrics • allergy • cardiology

Chronology of the Eighteen Years of Life of the Class of 1994:

1976 Most members of the class were born this year.
1977 Four schools were closed — Hardy, Hill, Newhall and Banks Intermediate. This meant redistricting.
1979 Lawrence School closed with more redistricting.
1980 Students entered Kindergarten.
1981 Proposition 2 ½ took effect resulting in many cuts, layoffs and changes in the schools.
1983 The Middle School Model was implemented. Grad 6-8 were included and Waltham H.S. and Waltham Vocational began to serve grade 9.
1984 School Street Elementary closed leading to further redistricting.
1985 Graduation requirements called the core curriculu began to be phased in with the entering freshmen (Class of 1989).
1987 All-day kindergarten implemented.
1989 School Administration building closed (488 Main S
1991 Central Middle School closed. Grade 6 returned to elementary level and kindergarten reverted to half-day program.
1994 Sixteen snow storms marked the school year. In June, the Class of 1994 graduated.

During these years, the Waltham Public Schools maintai favorable class sizes, preserved remedial programs and clas for honors and advanced placement students and offered a range of extracurricular activities..

International change characterized the lives of the Class of 19 Wars in Vietnam, the Middle East, Central America, Afghanist Africa and the Persian Gulf occurred. The removal of the Be Wall and the collapse of the Soviet Union also led to ma changes. These events affected the families of some of our s dents directly. In addition, our student body came to reflect cataclysmic changes which contributed to immigration patter Approximately forty separate languages were spoken by students, prior to learning English.

In Memory of Shawn Cram

People are dying everywhere,
Before it happens, let them know you care.

Always yelling and screaming at each other,
we didn't know it would happen to your brother.

You were so close, yet far apart,
he will always be with you, deep in your heart.

Don't forget all the times spent together,
and always remember he had a love for you,
that will last foverer.
